

# Tablica: Rozwiązanie egzaminu EE10 2019

This vertical strip contains 15 small images, each representing a different page or section of a technical document. The images are arranged vertically and include:

- 1. A table with multiple columns and rows of data.
- 2. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 3. A graph showing a signal waveform with a red arrow pointing to a specific feature.
- 4. A diagram of a mechanical assembly with a red circle highlighting a specific component.
- 5. A graph showing a signal waveform with a red arrow pointing to a specific feature.
- 6. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 7. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 8. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 9. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 10. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 11. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 12. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 13. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 14. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
- 15. A diagram showing a cross-section of a mechanical part with various dimensions and labels.
